

Who to Contact

Bramhall High School has an experienced advisor, Vanessa Gilbert, who meets with students one to one, offering advice and guidance. As a school we offer impartial (independent) information, advice and guidance for 12-16 years olds with regards to education, employment and training opportunities. Career Guidance is targeted at 'key transition' points with learners on a one to one basis helping to raise aspirations, build confidence and enhance decision making skills concerning future options.

Our Careers Advisor is available in school on Mondays, Tuesdays and Thursdays, although is contactable by students and parents at Vanessa Gilbert <vanessa.gilbert@stockport.gov.uk>

Appointments for careers & guidance meetings, or to request information on subjects/courses/careers, can be made by seeing Ms Joynton.

Education or training providers who wish to gain access to pupils at the school for the purposes of giving them information about the provider's education or training offer should contact the school njoynton@bramhallhigh.stockport.sch.uk
