

Attendance

Great emphasis is placed on the importance of full attendance. Students need to be present in school to maximise their individual opportunities for fulfilling potential.

Every child should strive for more than 97% attendance.

>97% - Good	6 days' absence 	30 hours lost learning
95% - Concern	10 days' absence 	50 hours lost learning
<94% - Poor	12 days' absence	60 hours lost learning

Please phone us on every day of your child's absence before 8.15am.
Ensure you leave your child's name, year group, reason for absence and your name and number.

Please book UNAVOIDABLE medical appointments outside the AM (8.45-9.15am) and PM (12.20-1.20pm) registration periods. Please ensure Medical Authorisation cards are completed by your medical practitioner. These are available from the Attendance Office and main reception.
