

Careers Information and Guidance Programme 2019 – 2020

Please see below the Careers Programme for Bramhall High School. Our three-year trend for remaining for securing Post 16 provision is 100% and 99 + % after one year.

We would be grateful if any parent / carer feels that they could support our Programme in any capacity to contact Nikki Joynson, Deputy Headteacher on njoynson@bramhallhigh.stockport.sch.uk or Ext 141.
