GOVERNING BOARD HANDBOOK

Updated Sept 2021

WELCOME TO BRAMHALL HIGH SCHOOL

The purpose of this Handbook is to provide you, as a governor of Bramhall High School, with a basic understanding of your particular roles and responsibilities within the school. The Handbook is not a comprehensive resource nor does it overly duplicate large amounts of information to be found elsewhere but we hope it gives you some confidence to exercise your role as a governor as effectively as possible.

THE FUNCTIONS OF THE GOVERNING BOARD

The Governing Board exists to promote the interests of the school and its students and to act as its advocate. Its core function is to:

- Ensure that the vision, ethos and strategic direction of the school are clearly defined;
- To hold the Head teacher to account regarding the performance of the school, the students and the performance management of the staff.
- Ensure sound, proper and effective use of school finance resources.

In exercising these functions the Governing Board shall:

- Act with integrity, objectivity and honesty in the best interests of Bramhall High School;
- Be open about the decisions we make and the actions we take and in particular be prepared to explain our decisions and actions to interested parties.

The Head teacher's responsibility includes:

- The internal organisation, management and control of the school;
- The educational performance of the school.

ABOUT BRAMHALL HIGH SCHOOL

Having a good understanding of the school and its day-to-day activities is important background and context to the formal Governors' meetings. There are three main ways in which governors can find out more about the school than is discussed in Governing Board meetings.

Firstly, the school website. This will provide you with information on all aspects of school. Please do look at it, it is easy to navigate and will provide you with lots of information as well as bringing to life the excitement, commitment and achievements of the staff and students.

Secondly, school visits. All Governors are linked to an area of the curriculum. It is expected that Governors will meet with their subject leader once a term. See page 12 and Appendix 2 for guidance.

Thirdly, attending school events. The school puts on many functions and events e.g. music concerts, presentation evenings. Governors are encouraged to attend these as, again, they provide invaluable insight beyond the formal meeting structure and also show the Governors' support for pupils, staff and parents. It is not possible to put into words the buzz, which is characteristic of these activities, but the students will make you proud to be associated with the school.

If you are a new Governor we offer a range of support to help you settle into the role and be clear about what it entails. For those with no previous experience of governance in schools we would expect you to attend Stockport Local Authority's Governor Training course. (This course, covering all aspects of being a governor, is usually delivered in two 2 hour sessions which are offered as daytime or evening options. Details can be found on Governor Hub, see below).

For all new governors the Head teacher will arrange a visit to the school during the working day so that you can look around, begin to meet staff and students and get a “feel” for Bramhall High School. All new governors are asked to complete a Skills Audit, which helps the Governing Board know where its skills and strengths are, and where there are development needs to cover any gaps. It is not expected, of course, that any governor will have skills or experience in each of the areas covered by the skills audit, it is a tool to help map expertise across the full Governing Board.

ABOUT THE GOVERNING BOARD AT BRAMHALL HIGH SCHOOL

At Bramhall High School, we are constituted, as required by legislation, to have:

- 2 elected Parent Governors
- (at least) 11 Co-opted Governors
- 1 governor appointed by the Local Authority
- 1 Staff Governor
- 1 Head teacher

Half the number of governors in post are required to ensure full Governing Board meetings are quorate. Unusually it might be necessary for a governor not chairing a particular meeting to attend by either telephone or video link. The policy for virtual meeting attendance can be found on Governor Hub (see below).

All governors in our school are attached as a link governor to individual departments. In addition, some governors will be members of specific sub committees, e.g. pay, or policies, or will attend working groups, for example Finance. In addition some governors are the named link support for a particular aspect of the school, for example Wellbeing.

All governors will have access to the Bramhall High School section of the national Governor Hub. This is password protected and is the primary source for papers for meetings and other information relevant to the role. Here you can also access the local authority training on offer, Department for Education model policies and news articles of general interest to the education sector. There is an interactive help service on the Governor Hub site if you need it. In addition the school website has a Governing Board tab where further information may be found.

WHAT DO WE EXPECT OF INDIVIDUAL GOVERNORS?

- A strong commitment to the role and to improving outcomes for students
- The inquisitiveness to question and analyse and a willingness to learn
- Good interpersonal skills
- Be willing to promote meaningful and effective engagement with parents, staff and the wider community
- Be committed to sharing in all roles required in an outstanding governing board
- The time and inclination to fulfil the role adequately
- Attendance at least one parents’ evening on a rota basis
- Attend at least one, evening school event (eg concert, awards evening, show, open evening).

WHAT SKILLS AND EXPERIENCE ARE REQUIRED OF MEMBERS OF THE GOVERNING BOARD?

Whilst recognising that members will have a variety of experience and skills we need to ensure that across the membership of the governing board we have skills and experience in:

- Budgeting and driving financial efficiency;
- Performance management and employment issues, including grievances;
- Teaching and learning and analysing performance data;
- Safeguarding;
- Strategic management;
- Marketing, community and effective communication.

CODE OF PRACTICE FOR THE BRAMHALL HIGH SCHOOL GOVERNING BOARD

We would draw your attention to the Code of Practice for Governors at Bramhall High School (Appendix 1). We expect all of us to adhere to it. In summary,

- All Governors have equal status;
- Governors must observe complete confidentiality and should only speak or act on behalf of the Governing Board when they have been authorised to do so. Any decisions taken should be in the best interests of the school and not those of individuals or groups. Governors must be aware of, and at all times act within, the spirit of the Code of Practice;
- Governors should express views openly within meetings but accept collective decisions;
- Governors should not get involved in individual complaints. Any person with a complaint about the school should be directed to the School's Complaints Procedures and Guidelines document;

Visiting the school whilst it is in operation is the best way a governor can learn about the school. The purpose of such visits is to reinforce the Governor's monitoring role rather than being seen as an inspection role and as such Governors should be mindful that they visit the school as guests and should sign in at reception and wear their security ID badge at all times. All visits should be at a mutually convenient time and should be planned carefully with an agreed focus. The Head teacher's PA should be notified of any visits and a note of visit (see Appendix 2) should be completed.

Governors are linked to a department or Year Group. The purpose of this role is to:

- Enable governors to gain a greater understanding of the work of the school;
- Provide curriculum areas with support and commitment through direct contact with governors.

It is expected that governors will meet once a term with their curriculum lead to discuss the work in the subject, strengths and weaknesses and progress against its priorities as set out in the School Development Plan. The Autumn Term meeting will focus on the previous summer's results, the Spring Term meeting on priorities for the following year's Development Plan, and the Summer Term on progress with the

Development Plan. The meetings are not “inspectorial” but should enable staff to feel supported and governors to see how the subject area’s work contributes to the priorities for the school as a whole.

After each meeting Governors should complete a Note of Visit and send a copy to the staff concerned, the Chair of Governors and the Head’s PA.

CONTACTING THE SCHOOL

When you are visiting the school for any reason other than a scheduled Governor meeting after the end of the school day, please use the main entrance and ensure you sign in. Meetings with staff, eg the link department staff, should be arranged directly with that person. As a courtesy please ensure that the Headteacher is aware of your visit by informing his Personal Assistant prior to the meeting.

Email is often the best way to contact individuals. All staff have email addresses which are usually of the following format:

Jane Smith would be jsmith@bramhallhigh.stockport.sch.uk

EVALUATING OUR WORK

As a Governing Board we strive to work effectively for the benefit of Bramhall High School. As part of this we continually evaluate our work. The following questions are used to guide us in this, they help provide information through monitoring, upon which we can evaluate what we do.

- Does the Governing Board work in partnership with the school?
- Are committee minutes/agendas produced and circulated in sufficient time?
- Is there a clear structure for committees?
- Is good use made of the Governing Board’s time? Are meetings clear and focused and undertaken in a reasonable time?
- Are new governors given appropriate induction and offered mentoring from an experienced governor?
- Are we aware of the skills of each governor?
- What are governors’ training requirements; are these reflected in the Governing Body Development Plan?
- How often do governors attend school functions?
- Is there an agreed policy on the management of governor visits?
- Are new governors given the opportunity to ask questions on anything they do not understand?
- How is the workload of the Governing Board organised? Is the workload spread out amongst the whole Governing Board?
- Does the Governing Board have an agreed process for appointing Community Governors
- Are Governors aware of the Code of Practice?

ADDITIONAL SOURCES OF INFORMATION

BRAMHALL HIGH SCHOOL GOVERNOR WEBSITE

Bramhall High School Governors' tab on the school website provides information useful to parents. This tab does not duplicate information about the school which is accessible through the school's main website.

GOVERNOR HUB

The Bramhall High School site on Governor Hub (a national site) is the source for most information about the Board's work. It is password protected and governors are allocated a password by the local authority. All paperwork for meetings is posted here. Other information including Board membership, dates of meetings can be accessed through the site. This is also where governors can access and sign up for workshops run by the local authority, including the New Governor training, plus other topic specific training to help with the governor role, for example Safeguarding or Pupil Discipline Committee training. Governor Hub also includes much useful information about governance in general.

WHERE CAN I FIND OUT MORE ABOUT GOVERNANCE AND TRAINING?

Stockport Council has a site, "[Learning Leads](#)", which provides information, a forum for discussion and sharing of practice as well as the extensive programme of training courses. The courses cover a range of areas, so if you do not feel too confident about financial matters in schools, you will find a course to suit you. All members of our Governing Board who are new to governance are asked to attend the specific training course for new governors.

GOVAS (Governors' Association in Stockport) provides advice, training and an annual conference.

National Governors' Association has a site [Modern Governor](#), which again provides both information and training. There are many training modules on this site, which can be undertaken online. APPENDIX 1 CODE OF CONDUCT FOR THE GOVERNING BOARD 2021

The following is not a definitive statement of responsibilities but is concerned with the common understanding of broad principles by which the governing board and individual governors will operate.

Governors of Bramhall High School accept the following principles:-

We agree to abide by the Seven Nolan Principles of Public Life:

Selflessness

We will act solely in terms of the public interest.

Integrity

We will avoid placing ourselves under any obligation to people or organisations that might try inappropriately to influence us in our work. We will not act or take decisions in order to gain financial or other material benefits for ourselves, our family, or our friends. We will declare and resolve any interests and relationships.

Objectivity

We will act and take decisions impartially, fairly and on merit, using the best evidence and without discrimination or bias.

Accountability

We are accountable to the public for our decisions and actions and will submit ourselves to the scrutiny necessary to ensure this.

Openness

We will act and take decisions in an open and transparent manner. Information will not be withheld from the public unless there are clear and lawful reasons for so doing.

Honesty

We will be truthful.

Leadership

We will exhibit these principles in our own behaviour. We will actively promote and robustly support the principles and be willing to challenge poor behaviour wherever it occurs.

We will focus on our core governance functions:

1. ensuring there is clarity of vision, ethos and strategic direction
2. holding executive leaders to account for the educational performance of the organisation and its pupils and the performance management of staff
3. overseeing the financial performance of the organisation and making sure its money is well spent

NGA recognises the following as the fourth core function of governance:

4. ensuring the voices of stakeholders are heard

As individual board members, we agree to:

Fulfil our role & responsibilities

1. We accept that our role is strategic and so will focus on our core functions rather than involve ourselves in day-to-day management.

3. We will develop, share and live the ethos and values of our school/s.
4. We agree to adhere to school/trust policies and procedures as set out by the relevant governing documents and law.

10. We will only speak or act on behalf of the board if we have the authority to do so.
11. We will fulfil our responsibilities as a good employer, acting fairly and without prejudice.
12. When making or responding to complaints we will follow the established procedures.

13. We will strive to uphold the school's / trust's reputation in our private communications (including on social media).
14. We will not discriminate against anyone and will work to advance equality of opportunity for all.

Demonstrate our commitment to the role

3. We will arrive at meetings prepared, having read all papers in advance, ready to make a positive contribution and observe protocol.
4. We will get to know the school/s well and respond to opportunities to involve ourselves in school activities.
5. We will visit the school/s and when doing so will make arrangements with relevant staff in advance and observe school and board protocol.

2. We will also declare any conflict of loyalty at the start of any meeting should the need arise.
3. If a conflicted matter arises in a meeting, we will offer to leave the meeting for the duration of the discussion and any subsequent vote.
4. We accept that the Register of Business Interests will be published on the school/trust's website.
5. We will act in the best interests of the school/trust as a whole and not as a representative of any group.
6. We accept that in the interests of open governance, our full names, date of appointment, terms of office, roles on the governing board, attendance records, relevant business and pecuniary interests, category of governor/trustee and the body responsible for appointing us will be published on the school/trust website.
7. We accept that information relating to board members will be collected and recorded on the DfE's national database (Get information about schools), some of which will be publicly available.

We understand that potential or perceived breaches of this code will be taken seriously and that a breach could lead to formal sanctions.
