

## Travel and Tourism

Bramhall High students may follow the Pearson BTEC First Award in Travel and Tourism which is the equivalent of one GCSE. Students complete four units, one of the units (Unit 1) is externally assessed in the form of a written exam. This component focuses on the key aspects of the UK Travel and Tourism industry. Students will complete most of the work for this in Year 11 and will take the examination early in January. This will give them the opportunity to re-sit the exam in the summer if required.

Unit 2 (UK destinations) is completed in Year 10 and this is complete for the majority of students. Unit 4 (Foreign destinations) is completed at the start of Year 11 and should be complete by the end of January. Unit 3 (Customer Service) is completed last and should be completed well before the students start their summer examinations.
